Pete, do you have some on staff that can engage with this response and work with Region 6 and 8?

Thanks,

Hi Randy,

Philip Turner and I are the risk assessors / toxicologists in Region 6 and essentially the Environmental Unit Leader.

I am in the process of scheduling daily calls with Region 8 (Deborah McKean and

company).

Does Region 9 have a person who can participate on this call?

Some of the topics that we will be discussing are:

- Screening levels
- Sampling plans
- Analytical detection limits
- Etc

Thanks, Jon
